FOR THE BENEFIT OF THE

ORPHANS

- OF THE-

CHURCE HOME.

It is sometimes asserted that northern people evince a greater share of energy and persistency of purpose than we of from the gulf, scattering roses on every certainly the wasted, half-cultivated erner would detect because of any ebullition of sectional prejudice. Boundless plains and majestic mountains are as market. fatal, it seems, to narrow, selfish views in the moral as in the physical world. Not only this, but the people of the west resort to every possible agency to promote immigration. City the most important question it has ever governments exist there for wise pracachieved such wonderful prosperity?

THE ELECTIONS.

The news which we have been publishing for two days past from Connecticut, Indiana, Iowa and Colorado show that of Republicanism, has at last turned to the other side. The gains in Connecticut for the Democratic party foot up cut for the Democratic party foot up legislature is blacker than the fame of Some of the people asked me if I was LEGISLATURE OF MISSISSIPPI, eight thousand three bundred and sixty- the worst victim of the credit mobilier. not afraid to spend my time in a county men elected by the people and native to eight, St. Louis elected a Democratic He won his place by stuffing ballotmayor and in Cincinnati Mr. Davis, boxes and has been a most violent varmayor, and in Cincinnati Mr. Davis, boxes, and has been a most violent par-said; I answered, playfully, that I had political Nazareth at Jackson. As the boxes, and has been a most violent partisan in his official capacity. He recutive, was beaten by his Democratic oppponent by over one thousand votes. And so in similar contests in Keokuk, Iowa and Denver City, Colorado, mayors have been elected by handsome Democratic majorities. The people are tiring of the "rule or ruin policy" of the administration and its supporters, and have determined not only to mark their disagraph of the approbation of that and of Grant's personal probation and its supporters, and have approbation of that and of Grant's personal probation are to this support of the might seemed volume to the particular particular probation of that and of Grant's personal probation and its supporters, and have approbation of that and of Grant's personal probation and its supporters are probation of that and of Grant's personal probation and its supporters are probation of that and of Grant's personal probation and its supporters are probation of that and of Grant's personal probation of that and of Grant's personal probation and its supporters are probation of that and of Grant's personal probation and its supporters are probation of that and of Grant's personal probation and the probatic probation and probatic probation and probatic probatic probatic probation and probatic probatic probatic probation and probatic probati approbation of that and of Grant's per-sonal policy, but to indicate to him and named William Ward, and they who those who have become impudent and testify to facts recited are negroes. Impertinent from an unrebuked sway. Impertment from an unrebuked sway, There is growing hostility between for the offenses past, and establish some veniencies it has added to Mississippe that there comes a time when even in- whites and negroes in Louisiana, aris- sort of government that will in future homes, we can but touch with delisolent power and unrestrained limg mainly from the election by the Great crimes have been committed in cense in high official places must negroes of dirty, ignorant villains, who Pope county, and no doubt both parties plaints about high and discriminating come to an end. One by one have acted so distinguished a part in the southern States have relieved themcountless recent disgraceful scenes in sacred with "Shall the sword devour forcountless recent disgraceful scenes in sacred with "Shall the sword devour forsacred with "Shall selves of the incubus of carpetbag govthe legislature of the State. cruments, and one by one the chilef cities
of the Union are wheeling into line,
the lest advisor were arrelate for a first of the Union are wheeling into line, the last advices, were arming for a final forming a solid phalanx, against which conflict.

And, in the language of the Ring of cannot the Mobile and Ohlo railroad the governors of one of the American and The Memphis and Charleston. the Republican party will expend its strength in vain. We hall the figures the telegraph brings us as evidence that As was stated in our dispatches from than I for the murder of my father." I tral does at Grand Junction? there "is life in the old land yet," and that out of the impurities of radicalism there is to come to the country at large, lecter and legislater days, purer legisla.

Little Rock yesterday, the clamor saw Governer Baxter, and said to him that the county of Pope, having been at one time placed under martial law, and your delayed traveler is never an inth from two to twenty-four hours, and your delayed traveler is never an interpolated in your delayed traveler is never any your delayed traveler is never any your delayed traveler in your delayed traveler is never any your delayed traveler in your delayed traveler in

ity, at a charge of fifty cents a head, the money to be placed to the credit of a fund for the payment of our interest debt. This correspondent thinks that even the Varieties might be so "outranked" prosperity of the State, will be infinitely in its special vocation so as to insure full its of the unfinished railroads be completed, and the insus shall be enforced so long as I am governor." It is proposed in the unfinished railroads be completed, and the insus shall be enforced so long as I am governor." It is proposed in the unfinished railroads be completed, and none may doubt it, if no more bonds be issued as is now said to be provided, in the unfinished railroads be completed, and the inws shall be enforced so long as I am governor." It is proposed in the unfinished railroads be completed, and none may doubt it, if no more bonds be issued as is now said to be provided, it is road will bring the trade of Calhoun and Oktibbeha counties, and nearly the whole trade of the western part blood should be shed and left unavenue houses and overflowing receipts for the city treasury. And what a commentary

ket, and resulting tardiness with which schemes of public beneficence are prosereal estate. St. Louis, seeing how Memphis may strike for commercial independence and greatness, undertakes the construction of a direct railway line to this point. The potent Allen, who shapes the railway destinies of Arkansas, deciares his purpose, if Memphis as, deciares his purpose, if Memphis account of what has come to be known as the "Bolling-Fork Horror." It was account of what has come to be known as the "Bolling-Fork Horror." It was the "Bolling-Fork Horror." It was account of what has come to be known as the "Bolling-Fork Horror." It was the "Bolling-Fork Horror." It was account of what has come to be known as the "Bolling-Fork Horror." It was acres for half a century to come, and entered his protest against any such meeting being called an indignation meeting of the people of Prairie county. When the resolutions were find, and though some of her old leaven remains to leaven the whole leaven remains to leaven the whole laven remains to leaven the whole land to pay the taxes on a thousand acres for half a century to come, and entered his protest against any such meeting of the people of Prairie (and though some of her other to this point. The potent Allen, who is its fast, and about a crime to curdle the blood of the most hardened and abandoned, and the secret this protest against any such meeting of the people of Prairie (and though some of her other meeting of the people of Prairie (and though the meeting being called an indignation meeting of the people of Prairie (and though the meeting being called an indignation meeting of the people of Prairie (and though the meeting of the people of Prairie (and though the meeting being called an indignation meeting of the meeting being called an indignation m co-operate, to construct a branch of his road from Jacks suport to this city. In truth, such is the perfection of our eastern railway system that western railway system that western railway system that western truth, such is the perfection of our truth. Not one dollar, whatever may be said to the contrary, has been unwisely expended for an unwisely expended for an unwisely expended for an unwisely of railway-building as prosecuted there is a man who lived for some time.

It was diabolical, and, we are glad to know, so struck upon the sense of insecurity of the community among whom it was committed that it has never tired through properly selected agents in hunting down the perpetrators of so awful a crume; and with some success, as we are informed by the Yazoo City Bantan purpose by those who have shared burdens of railway-building as prosecuted the purpose of railway-building as prosecuted the same of railway-building as prosecuted the same of the perpetrators of so awful a crume; and with some success, as we are informed by the Yazoo City Bantan purpose by those who have shared burdens of railway-building as prosecuted the properly selected agents in hunting down the perpetrators of so awful a crume; and with some success, as we are informed by the Yazoo City Bantan purpose by those who have shared burdens of railway-building as prosecuted the properly selected agents in hunting down the perpetrators of so awful a crume; and with some success, as we are informed by the Yazoo City Bantan purpose by those who have shared burdens of railway-building as prosecuted that it has never tired through light and the tax in particular, and we left, expecting that the indignation against the bill in general, and the tax in particular, and we left, expecting that the indignation of the half dozen indignation against the bill in general, and the tax in particular, by this city and county. In fact, it is only needful to make known everywhere the healthfulness and productiveness of the country tributary to Memphis, in order to attract wealth and population, and create a magnificent city.
